

ILLINOIS DEPARTMENT OF  
**Human Rights**

Every year on December 10 the international community observes Human Rights Day, commemorating the day in 1948 when the United Nations General Assembly adopted the Universal Declaration of Human Rights. The IDHR Institute for Training and Development will be celebrating Human Rights Week and offering various trainings Monday, December 10 through Friday, December 14. Reservations are necessary and can be made by using the enclosed registration form. Early registration is encouraged, as space is limited. If you or your staff are unable to attend at this time and would like to inquire about future trainings, please indicate on the same form and our staff will contact you.

I believe these trainings are a powerful reminder of where we have been as a society and of the goals toward which we continue to strive. I hope you and/or your staff will be able to participate in this and future training.

Sincerely,
