

**WHY STAND UP AND TAKE ACTION
ON SEPTEMBER 17**

When world leaders gather at the United Nations for the Millennium Development Goals (MDGs) Review Summit in September, the voices of their citizens will follow them, telling them, loudly and clearly: "We will no longer stay seated or silent in the face of poverty and broken promises to end it!"

At the Millennium Summit in 2000, world leaders agreed to achieve the eight MDGs in order to eradicate extreme poverty and its root causes by the year 2015. The demands and expectations of citizens around the world that they deliver on these commitments, made visible and audible throughout 2010, will culminate in the "Stand Up 2010" mobilization.

Featuring a Musical Performance by Bloodshot Recording Artist Jon Langford

A resident of Chicago and born in Wales, Jon Langford has just released *Old Devils*, an album evoking the soul of artists from Dylan Thomas to Johnny Cash.

Jon's a founding member of first wave punk icons Mekons, roots rabble-rousers the Waco Brothers and Chicago collective Pine Valley Cosmonauts.

He's also an accomplished visual artist – see his work at the Yard Dog Gallery.

In fall 2009, Jon's record, *All The Fame of Lofty Deeds*, was turned into an acclaimed stage play. The Chicago Tribune raved, "this show could well fill a void in New York and beyond."
